

PHILOSOPHY ROADMAP

START

1

Metaphysics

The search for first principles and causes; a quest for insight into reality and the nature of being

2

Epistemology

The study of how human knowledge is acquired, the limits of human knowledge, and the meaning of human knowledge

3

Ethics

The systematizing, defending, and recommending concepts of right and wrong behavior

4

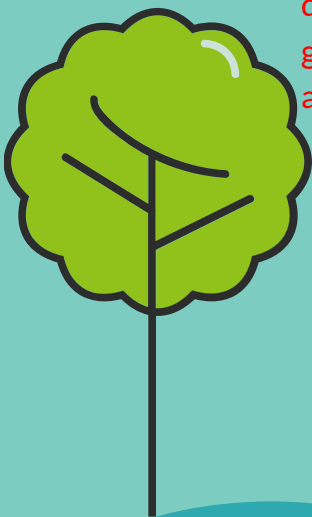

Philosophy of Religion

Is it possible to prove the existence of God? How can we reconcile the existence of God with suffering and evil?

5

Political Theory

The study of fundamental questions about the state, government, liberty, justice, and authority

6

Logic

A process of evaluating truth using the principles of correct reasoning
