

Terran Dilemma

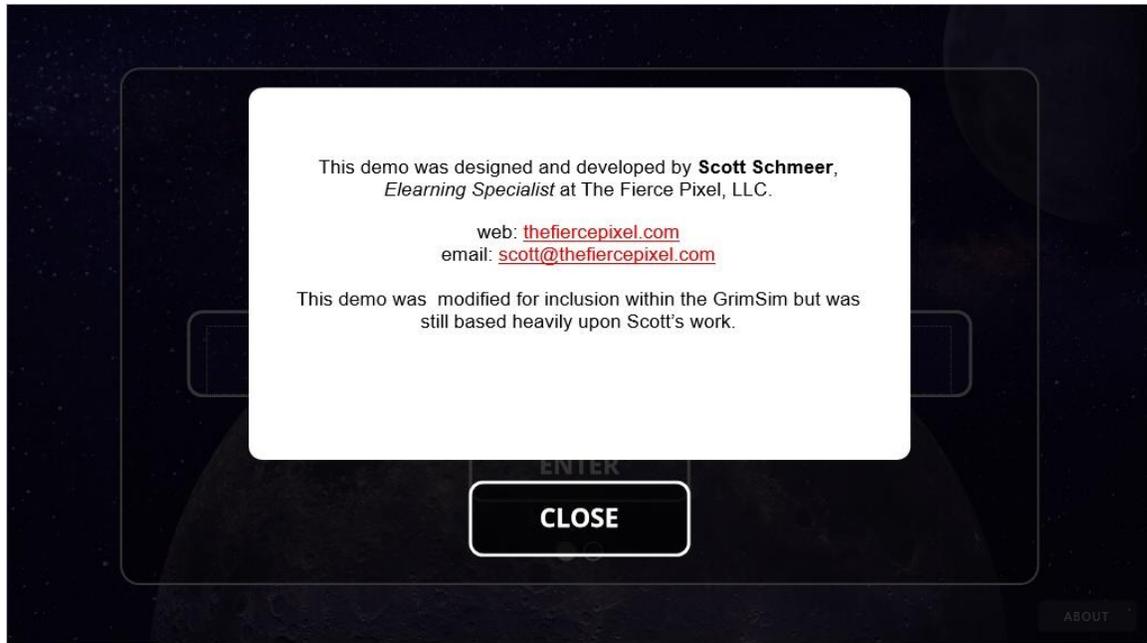

The Terran Dilemma is an interaction intended to measure the human tension between egoism and altruism. The central question, of concern to philosophy and economics, addresses the essence of our nature and what difference (s) might be introduced through the various answers to the central tension.

The interaction is found online at <https://kurtstuke.com/OER/GrimSim/Five/Dilemma/>

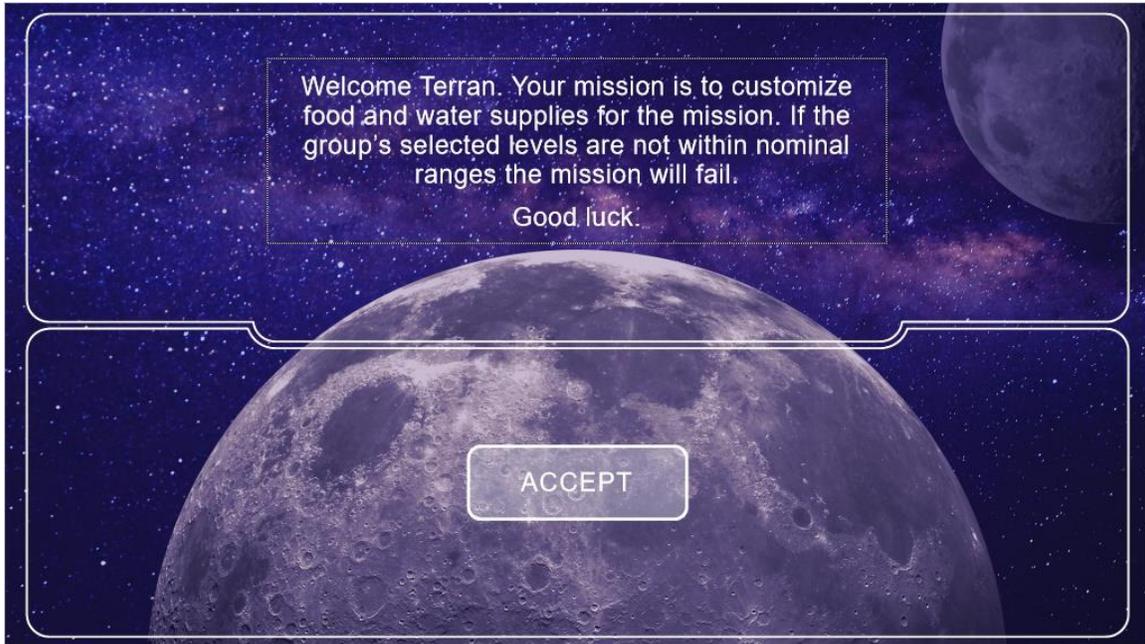

For your convenience, the slides which convey vital information concerning the dilemma are presented below.

About

Instructions

Welcome Terran. Your mission is to customize food and water supplies for the mission. If the group's selected levels are not within nominal ranges the mission will fail.

Good luck.

Choose Water Rations for the Self and for the Team

The screenshot shows a game interface with a dark blue, space-themed background featuring a large, cratered moon. The interface is divided into several sections:

- Top Left:** A box titled "Terran Dilemma:" containing user information: "%userName%", "ID Code: %pinCode1%", "%pinCode2% %pinCode3%", "%pinCode4%", "Rank: Encrypted", and "Assignment: GrimSim".
- Top Center:** A text box that reads: "Assign water rations for you and for the team. As you select answers for section 1, answers will populate section 2." Below this text are two black rectangular boxes, each with a yellow label: "h2O_self" and "h2O_team".
- Top Right:** A box titled "TASK PROGRESS" with a yellow border. Below it is a futuristic, glowing blue and yellow progress indicator with the text ">>> %status%".
- Bottom Section:** Two columns of radio button options. The left column is titled "1. Water_Self" and has four options: 0%, 33%, 66%, and 100%. The right column is titled "2. Water_Team" and has four options: 0%, 33%, 66%, and 100%. A central button labeled "LOCK CHOICE" is positioned between the two columns.

You have four possible selections:

1. 0% for the self and 100% for the team
2. 33% for the self and 66% for the team
3. 66% for the self and 33% for the team
4. 100% for the self and 0% for the team

Once completed, please DM the instructor with your selection
